

Praying Pelican Washington DC Youth Mission Trip

June 10 - 18, 2022

Cost: \$250

Initial deposit (\$50) for each participant – due on November 14, 2021

Final balance for each participant – due on April 24, 2022

What will we be doing?

Praying Pelican Missions (PPM) exists to inspire unity within the global Church. There is no more powerful example of God's love to a community than when His people come together to serve and advance the Gospel, all in the name of Jesus. PPM trips are built around three main pillars for healthy short-term missions: genuine partnerships, long-term relationships, and sustainable ministry. On our specific trip students will have the opportunity to be involved in construction projects and/or missions opportunities in a local community. You can find out more about Praying Pelican at www.prayingpelicanmissions.org
